I provide clients with a choice of paying a fee-for-service or allowing me to receive commission from the insurance provider that is recommended. In such cases my hourly rate may be reduced or waived for the initial advice and the Implementation fee. A combination of these methods of payment for my services will also be considered. I can provide you with a fee estimate after assessing your requirements. I do not charge or receive commission on managed investment schemes.

Service Fees	Andrew Smith
Hourly rate (or part thereof)	\$300
Advice recommendations and implementation fee (depending on complexity)	Up to \$5,000
Ongoing Service Fee paid as either a flat \$ fee or a % of Funds under management <i>For example, if your portfolio being managed is \$100,000 you will be charged \$1,100 for 12 months. I will consider capping this fee for amounts greater than \$1,000,000 depending on circumstances.</i>	<ul style="list-style-type: none"> 1.1% pa. up to \$1,000,000 0.88% pa. between \$1,000,000 and \$3,000,000 0.65% pa above \$3,000,000

Do I receive remuneration, commission, fees, or other benefits in relation to providing the financial services or assistance to you and how is that commission calculated?

1. All fees are paid initially to Shartru Wealth Management (Licensee). Shartru Wealth passes on 100% of all fees received to A.S Private Wealth.
2. Where a life insurance company product has been recommended the issuer of the product may pay Shartru Wealth a commission which ranges between 30% and 60% of your first year's premium plus GST. E.g. If your first year's premium is \$500 and the initial commission is 60% Shartru Wealth will receive \$300.
3. The issuer of the insurance product may also pay Shartru Wealth an ongoing commission which can vary depending on the product. It ranges between 8% and 20% of your second and subsequent years premium. If your premium for the second and subsequent years is \$500 and the ongoing commission is 20% Shartru Wealth will receive \$100 per annum.
4. I may receive a salary, management fee or distribution of profits from A.S Private Wealth. The amount of this salary is dependent on a range of factors including the amount of operational expenses required to operate A.S Private Wealth.
5. Neither A.S Private Wealth nor I receive conflicted remuneration.
6.
